Knowledge 'X' Pattern Credenza

Metropolitan

The Knowledge four door credenza is highlighted with a book-matched veneer 'X' pattern design on each door. The base is a stepped plinth and the hardware is a solid brass bar pull with subtle modern design elements. There is one adjustable wood shelf behind each set of doors. The cabinet is structured of White Maple, while the doors are Mahogany. We recommend darker stain finishes to blend the two species or a combination finish on the case and doors.
