Florence Coffee Table

Metropolitan, Truex, Designer Series

Coffee? Cappuccino? Latte? Perhaps a little decadence before your sofa? A coffee table has a responsibility to a room. It sets the tone. It leads. It's the piece focus returns to again and again as it receives cocktail glasses, hors d' oeuvres trays, and who-knows whats throughout the day and into the night. The Florence Coffee Table will reward every visual sortie with the lovely lines of its unique shape. Inspired by the designs of Samuel Marx, circa 1945, this bold, stylish coffee table, is the perfect focal point for any occasional setting. It is available in any of our painted lacquers and is crafted of Maple with Maple veneers.
