Edwin Entry Table

Master Works

The Karges Anniversary Table to celebrate 130 years of hand crafting furniture in America is named the Edwin after the two "Edwins", 2nd and 3rd generation of the Karges Furniture family. This table is one of only 7 and is hand crafted of rare, very fine Honduran Mahogany purchased by the founding father, Albert Karges over 100 years ago. Designed from Edwin Sr.'s drawing, the hand carved cabriole legs and shaped top are meticulously carved by hand to give honor to the fine wood and the master artisans who continue to make the finest furniture in the world every day. The table also features an inset glass top with a beveled edge. Numbered and part of the Albert and Edwin Collection.
