Jules Chest

The Classics

This stunning serpentine form is a perfect example of complex craftsmanship by our Grand Rapids artisans. The top is made of Crotch Walnut with a quartered Australian Walnut border separated by a black inlay. The Crotch Walnut drawer fronts are accented with bead molding. The whole cabinet flows with shaped end panels, a shaped top, conforming apron and curvaceous legs. The satin brass pulls with acanthus scrolls and drapery swags are standard. Nickel is also available upon request.

Wood Species: Walnut
