Regency Round Dining Table

The Classics

The Regency Round Table has the versatility of a single pedestal, but also expands to accommodate two 18" (46 cm) leaves. The top features a Satinwood field with contrasting banding (from outside, inward) of Rosewood, Quartered Mahogany, Satinwood and Tulip wood separated by black and white inlay lines. The base is solid Mahogany. Solid brass ormolu adorn the four columns mounted on the platform. The legs are reeded and terminate in paw-feet, toe caps and casters of solid brass. Two drop-down, support legs are designed for use when the table is expanded.
