## Rectangular Dining Table

### The Classics

This table is based on popular turn-of-the-century desk forms which featured fluted legs and swags. The center field of this Neoclassic style table is figured Mahogany and features a cross-banded border of Mahogany and Satinwood. The border is separated on both sides with inlays of black, Maple, and Tulipwood. The fluted legs are topped off by solid brass rosettes. The swag carvings and feet are available with Gilt leaf as an option. There are three 16" leaves with aprons standard.
